

Contact Us, Feedback Form and Newsletter Requirements

Official Website and Customer Enquiry Management System for a UK Auto Parts SME

Client Name	Auto Parts SME
Document Type	Contact Us, Feedback Form and Newsletter Requirements
Prepared By	Business Analyst
Sprint	Sprint 2 Product Categories and Enquiry Forms
Date	22 May 20xx
Status	Draft for review

1. Purpose

This document captures the requirements for the Contact Us form, Feedback form, and Newsletter subscription feature for Phase 1 of the website. It supports Sprint 2 delivery and will be used for wireframe review, user stories, acceptance criteria, testing, and User Acceptance Testing (UAT).

2. Scope Covered

- Contact Us page and contact form requirements.
- Feedback form requirements.
- Newsletter subscription requirements.
- Form validation, confirmation messages, and email notification needs.
- Privacy, consent, accessibility, and content confirmation points from a BA perspective.

3. Contact Us Form Requirements

Req ID	Requirement	Priority	Notes
CU-01	Contact Us page should display a contact form for customer enquiries.	Must	No real contact details should be exposed in portfolio evidence.
CU-02	Form should collect customer name, email address, phone number, enquiry subject, and message.	Must	Required fields to be confirmed with Business Owner.
CU-03	Name, email address, and message should be mandatory.	Must	Phone can be optional unless the business confirms it as mandatory.
CU-04	Email format should be validated before submission.	Must	Example: customer@example.com.
CU-05	Customer should see a confirmation message after successful submission.	Must	Example wording to be approved by Business Owner.
CU-06	Business should receive email notification after form submission.	Must	Email routing to be confirmed by business.
CU-07	Form should show clear error messages if mandatory fields are missing.	Must	Error message should be simple and user-friendly.
CU-08	Privacy information should be available near the form or linked clearly.	Must	Final wording to be confirmed by Business Owner or relevant advisor.

4. Feedback Form Requirements

Req ID	Requirement	Priority	Notes
FB-01	Feedback form should allow customers to submit general feedback about the website or enquiry experience.	Must	Feedback is for business review only.
FB-02	Form should collect feedback type, customer name, email address, and feedback message.	Should	Name and email may be optional depending on business preference.
FB-03	Feedback message should be mandatory.	Must	Prevents blank submissions.
FB-04	Feedback should not be published publicly without business approval.	Must	Important business rule.
FB-05	Customer should receive a simple confirmation message after submission.	Must	Example: Thank you for your feedback.
FB-06	Business should receive email notification after feedback submission.	Should	Email recipient to be confirmed.
FB-07	Privacy information should be available because feedback may contain personal data.	Must	Final wording to be confirmed by Business Owner or relevant advisor.

5. Newsletter Subscription Requirements

Req ID	Requirement	Priority	Notes
NS-01	Newsletter section should allow users to subscribe using an email address.	Must	Usually placed in footer or homepage section.
NS-02	Email address should be mandatory and format should be validated.	Must	Invalid format should show clear error message.
NS-03	Consent wording should be clear and not pre-selected.	Must	Newsletter consent should be explicit.
NS-04	User should be informed that they can unsubscribe later.	Must	Unsubscribe process to be confirmed by business.
NS-05	Successful subscription should show confirmation message.	Must	Example wording to be approved.
NS-06	Newsletter data should not be used for unrelated marketing unless confirmed by business/legal owner.	Must	BA tracks this as compliance confirmation point.
NS-07	If email marketing tool is used later, integration is out of scope unless agreed.	Should	Phase 1 assumes simple capture or email notification only.

6. Cross-Form Rules

Rule ID	Business Rule	Applies To
BR-01	Required fields must be completed before form submission.	Contact, Feedback, Newsletter
BR-02	Email address must follow a valid email format where email is collected.	Contact, Feedback, Newsletter
BR-03	Forms should show clear and readable validation messages.	Contact, Feedback, Newsletter
BR-04	Customer should receive confirmation after successful submission.	Contact, Feedback, Newsletter
BR-05	Business email notification should contain submitted form details required for follow-up.	Contact, Feedback
BR-06	Newsletter consent should not be pre-selected.	Newsletter
BR-07	No online payment, checkout, customer login, live inventory, or admin portal is included in Phase 1.	All

7. Acceptance Criteria

- Contact Us form requirements are documented with required fields, validation, confirmation message, and email notification.
- Feedback form requirements are documented with submission, confirmation, notification, and public display rules.
- Newsletter subscription requirements are documented with email validation, consent, and unsubscribe requirement.
- Privacy and compliance confirmation points are captured for business review.
- Phase 1 exclusions are clearly documented.
- Requirements are ready for user stories, acceptance criteria, and test scenarios.

8. Compliance Consideration

These forms may collect personal data such as name, email address, phone number, message content, feedback, and newsletter email. The BA should document privacy and consent requirements, but final wording must be confirmed by the Business Owner or relevant advisor. This document does not provide legal advice.

9. SQL / Power BI Note

No SQL or Power BI work is included in Phase 1. However, fields captured through Contact Us, Feedback, and Newsletter forms may support future Phase 2 reporting if a Customer Enquiry and Sales Lead Tracking Dashboard is approved later.

10. Open Questions

Question	Owner	Status
Should phone number be mandatory on Contact Us form?	Business Owner	Open
Which email inbox should receive Contact and Feedback submissions?	Business Owner	Open
Should newsletter use double opt-in or simple confirmation?	Business Owner / Relevant Advisor	Open

Who confirms final privacy and newsletter wording?	Business Owner	Open
Should feedback allow anonymous submission?	Business Owner	Open

11. Portfolio Evidence Note

This document can be used as anonymised BA portfolio evidence. All identifiable client details, including real client name, website, logo, contact details, employee names, and internal information, must be removed or replaced with Auto Parts SME before publishing.
