SYS-006	Validation Error Message	All forms	Yes	Text	Display when required fields are missing or invalid.	Must be clear and user friendly.

8. Compliance and Data Protection Notes

Area	Requirement / Note
Personal data	Name, email, phone number, vehicle details, enquiry message, and newsletter email may be personal data.
Privacy notice	Privacy information should be available near forms and in footer/legal links.
Newsletter consent	Newsletter checkbox should not be pre-selected. Customer should actively subscribe.
Unsubscribe	Newsletter or marketing emails should include unsubscribe option.
Cookies and analytics	If analytics or non-essential cookies are used, cookie notice and preference requirement should be confirmed.
BA responsibility	BA identifies, documents, and tracks these requirements. Final wording must be confirmed by Business Owner or relevant advisor.

9. Phase 2 Future Reporting Mapping

No SQL or Power BI delivery is included in Phase 1. However, the following Phase 1 fields may support Phase 2 Customer Enquiry and Sales Lead Tracking Dashboard requirements later.

Field / Area	Phase 2 Reporting Use
Product Category	Can support top category analysis in Power BI.
Form Type	Can support enquiry source or enquiry type reporting.
Submission Date and Time	Can support monthly enquiry trend.
Customer Contact Details	Can support follow-up tracking, subject to privacy requirements.
Preferred Contact Method	Can support communication preference analysis.
Future Lead Status	Not captured in Phase 1 website. Possible Phase 2 field for dashboard.
Future Follow-up Notes	Not captured in Phase 1 website. Possible Phase 2 field for sales lead tracking.

10. Open Questions

ID	Open Question	Owner
OQ-001	Should vehicle registration detail be captured, or only vehicle make/model/year?	Business Owner / Sales Team
OQ-002	Which email inbox should receive quote, contact, and feedback notifications?	Business Owner
OQ-003	Should feedback rating be included, or only a message box?	Product Owner / Business Owner
OQ-004	Should analytics be included in Phase 1? If yes, cookie requirement must be confirmed.	Business Owner
OQ-005	What final wording should be used for privacy, newsletter consent, and unsubscribe?	Business Owner / Relevant Advisor

11. Next Step

Use this Data Field List to support Use Case Document, User Stories, Acceptance Criteria, Test Scenario Review, and User Acceptance Testing (UAT) preparation in later stages.
