

Project Intake Notes

Project: ABC School Web and Mobile Application

Request:

ABC School needs a web and mobile application to manage attendance.

Business Need:

Teachers currently mark attendance manually. Admin needs a simple way to view attendance and manage student and teacher data.

In Scope:

- Teacher login
- Mark attendance
- Submit attendance
- Admin view attendance
- Manage students
- Manage teachers
- Attendance reports

Out of Scope:

- Fee management
- Exam management
- Parent login
- Online classes
