

Functional Requirements Document

Project Name

ABC School Web and Mobile Application

Purpose

This document captures the detailed functional requirements for the ABC School web and mobile application.

Functional Requirements

Requirement ID	Module	Functional Requirement	User Role	Priority
FR-01	Login	Teacher must be able to log in to the mobile app using username and password.	Teacher	High
FR-02	Login	Admin must be able to log in to the web app using username and password.	Admin	High
FR-03	Attendance	Teacher must be able to select class and date.	Teacher	High
FR-04	Attendance	System must display student list based on selected class.	Teacher	High
FR-05	Attendance	Teacher must be able to mark each student as Present or Absent.	Teacher	High
FR-06	Attendance	Teacher must be able to review attendance before submission.	Teacher	High
FR-07	Attendance	Teacher must be able to submit attendance.	Teacher	High
FR-08	Attendance	System must save submitted attendance record.	System	High
FR-09	Student Management	Admin must be able to manually add student details.	Admin	High
FR-10	Student Management	Admin must be able to edit student details.	Admin	High
FR-11	Admin Panel	Admin must be able to add teacher details.	Admin	High
FR-12	Admin Panel	Admin must be able to edit teacher details.	Admin	High
FR-13	Reports	Admin must be able to view attendance by class.	Admin	Medium
FR-14	Reports	Admin must be able to view attendance by date.	Admin	Medium
FR-15	Reports	Admin must be able to view attendance by student.	Admin	Medium
FR-16	Access Control	Teacher must not access admin features.	Teacher	High
FR-17	Access Control	Admin must have access to student, teacher and attendance records.	Admin	High

Requirement ID	Module	Functional Requirement	User Role	Priority
FR-18	Student Management	Admin must be able to update student status as Active, Inactive, Left School or Graduated.	Admin	High

Sprint 3 Reporting Clarification

The attendance report functionality will support the following Admin report views:

1. Attendance Report by Class
2. Attendance Report by Date
3. Attendance Report by Student

Report Filters:

1. Class filter
2. Single date filter
3. Student filter or student search

Report Output Fields:

1. Student Name
2. Roll Number
3. Class
4. Section
5. Attendance Status
6. Attendance Date

Access Rule:

Only Admin users can view attendance reports. Teacher users cannot access attendance report screens.

Scope Note:

Reports are view-only in Project 1. Export, download, print and email report options are not included in Project 1 scope. Date range filter is also not included in Project 1 scope.
